**Allowance**

1. Claims 17-23 are allowed.

**Reasons for Allowance**

2. Flockhart et al, U.S. Patent No. 6,820,260 (hereinafter Flockhart) shows establishing a second connection (see the applets from column 4) between the caller and the merchant. However Flockhart fails to show determining a telephone number associated with the merchant, wherein the second connection is based on the telephone number. Just like Flockhart, Sonesh et al, U.S. Patent No. 6,614,783 (hereinafter Sonesh) clearly teaches establishing a second connection (see step 655 from Figure 6). Nonetheless, nowhere does Sonesh mention determining a telephone number associated with the merchant, wherein the second connection is based on the telephone number. For this reason, claim 17 is allowed.

As per claim 23, Sonesh fails to teach: notifying, after the determination that the attendant is available, the caller that the attendant is available and allowing the caller, after notifying the caller, to choose between (i) maintaining the connection with the selected entertainment option and (ii)

establishing a connection with the attendant. Consequently, claim 23 is allowed.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
